

# Bajaj Electricals eyes 25% growth

**Kolkata:** Bajaj Electricals, a leading lighting and household electrical items maker, is eyeing a revenue of ₹4,200 crore during the current financial year, a top company official said. "Last fiscal, the company's revenue was ₹3,400 crore. This fiscal, we are aiming at a revenue of ₹4,200 crore, 25 per cent higher," the company's chairman and managing director Shekhar Bajaj said, on the sidelines of the AGM of Indian Fan Manufacturers Association. — PTI
