

## ■ Bajaj Electricals Eyes 25% Growth in Revenues in FY14

**KOLKATA** Bajaj Electricals, a leading lighting and household electrical items maker, is eyeing revenues of ₹4,200 crore during the current fi-

nancial year. "Last fiscal, the company's revenue was ₹3,400 crore. This fiscal, we are aiming at a revenue of ₹4,200 crore, 25% higher," company's chairman and managing director Shekhar Bajaj said. He said out of the three divisions of the company, the consumer durables segment was expected to grow 20-22%, lighting segment 18-20% and engineering and projects (EPC) arm at 50%. By 2016-17, the company was eyeing a revenue of ₹10,000 crore, Bajaj said.
